

AVANCE ESPAÑA

PROGRAM & PROJECT COORDINATOR

 GRANADA, SPAIN

SUMMARY

The Avance España Program & Project Coordinator is primarily responsible for helping the processes of the program flow in a timely, flexible, but efficient manner in the formation of apprentices and the service to ministry partners. The Program Coordinator works closely with the Director regarding calendars, curriculum, and project management on routine and special projects.

QUALIFICATIONS

- Contagious faith, deep love for the Lord Jesus, His church, for young adults and for the people of the national context and Church.
- A strong commitment to and experience with Avance's strategic approach and values as well as biblical and theological reflection alongside community.
- A passion for mentoring, training, and shaping future generations of cross-cultural missionaries and missionally minded individuals who participate in Avance.
- A desire to work vulnerably alongside the church in local context and region, recognizing the work God is doing in and through them and cooperating with and supporting its efforts. This includes being regularly involved with and investing into a local congregation.
- A commitment to working interdenominationally with the Evangelical church within UWM and the national context.
- Has completed two or more years in cross-cultural ministry service.
- Demonstrates spiritual maturity (eg. 1 Tim. 3:1-13, Titus 1:5-9).
- Able to develop healthy working relationships and fosters an environment for collaboration and connection.
- Highly motivated, self-starter, who navigates autonomy well.
- Strong communication and administrative skills.
- Willingness to grow, learn, and adapt.
- Demonstrates commitment and history of Spanish language learning.
- Basic understanding of fundraising principles and how the role fits within the development goals of Avance España.
- Passion for the emerging generation's missional engagement.

PREFERRED QUALIFICATIONS (NOT REQUIRED)

- Experience in mentoring and teaching the emerging generation.
- Conversational Spanish.
- Willing to serve as faculty advisor for competency-based, service-learning optional master's degree.
- Proficiency with Microsoft Teams.

ABOUT AVANCE:

Avance España is a 1-2 year missional formation program with a unique look to pedagogy through practice, learning communities, and one-to-one mentoring. We value immersive living and serving under local leaders, incarnational presence, and contextually relevant innovation alongside our friends and ministry partners. Our formational process not only gives apprentices competencies in cross-cultural, community-based mission, but also comes alongside to encourage, support, and spur on local ministry partners to serve missionally in their neighborhoods and cities. Staff serve as experienced co-learners who continually engage alongside our national partners as well. Avance España also offers an optional master's degree in community-based cross-cultural mission through a partnership with Kairos University
